MEMORANDUM FOR ~~THE~~ DIRECTOR

1. This memorandum is for information only.
2. Miss Carol Warner, of OCDM, (Code 113, ext. 3489), called yesterday to ask if OCDM could reprint several thousand copies of General Cabell's speech to the American Legion for distribution through their religious division to churches, theological seminaries, etc. She said they had seen the speech in the NATO Newsletter. I told Miss Warner that the speech was in the public domain and, of course, they, therefore, could reprint it. I also said that of course we can't control the format, but we wouldn't want it done in any manner that could result in someone charging CIA with being involved in domestic propaganda. She said that "Battle Creek" would merely reprint and distribute in their well established channels. I told her we would have no objection in that case.
3. I asked her about how many reprints they plan to distribute. She said from 7,000 to 10,000. I sent her 12 copies of the speech.
